IWA YWP DACH Conference 2027

Event Essentials

Dates: 12–14 May 2027

Venue: Eawag | Dübendorf, Switzerland

Target Attendance: 100+ YWPs

Event Announcement: [IWA Events](#);

Audience: Students, researchers, and professionals from the DACH region (Germany, Austria, Switzerland).

Atmosphere: dynamic, inclusive, international, interactive

Our partners:

IWA and IWA YWP Switzerland Chapter

The [International Water Association \(IWA\)](#) is the largest membership association for the global water sector. Since 1950, IWA connects 140+ countries' top water professionals to shape the future of water and sanitation. Further information and the official conference announcement are available on the IWA website [here](#).

The [IWA YWP Switzerland Chapter](#) founded in 2024 brings together Swiss or Swiss-based young professionals working in different water sectors. The network counts 600+ followers on social media.
